Beyond Decorating with Feng Shui**

Feng Shui is more than decorating, it's how your environment feels.

SUNBURY, OH, (May 6, 2011) – When you think of Feng Shui, do you think of crystals, mirror, and dragons? Three Intuitive Concepts' clients invite you to see their homes and hear of their results with Diana Garber, President and Creative Environment Officer© – all reporting that their outcomes far exceeded the decorating experience.

Garber says, “Feng Shui should be felt not seen. If someone enters the building and says, ‘I see you’ve done Feng Shui,’ then something is amiss. Other than enjoying the space, the effects of Feng Shui should be transparent. If a client’s decorating preference is Western, that shouldn’t change. If a client’s preference is country, that needs to be honored. Introducing strange artifacts or symbols to one’s environment does not accomplish Feng Shui.”
