### **Intuitive Concepts Receives 2013 Best of Columbus Award**

SUNBURY, OH (September 13, 2013) -- Intuitive Concepts was selected for a second year as 2013's Best of Columbus Award in the Feng Shui Consulting category by the Columbus Award Program. The program honors achievements and accomplishments of local businesses that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value. These are local companies that enhance the positive image of small business through service to their customers and community, and focus on quality not quantity. These exceptional companies help make the Columbus area a great place to live, work and play.

Other companies that have received this distinction in their cities and categories include Trump International Hotel and Tower, Inc. Magazine, Dyson, Merrill Lynch, Intuit, Best Buy, Shell Oil Company, Edward Jones, American Red Cross, and Microsoft Store. Nationwide, only 1.4% of 2013 award recipients qualify as two-time award winners.

Feng Shui Master, Diana Garber, President and CEO of Intuitive Concepts, certainly deserves the credit for this distinction. She tirelessly supports individuals seeking solutions for their businesses, their families, and themselves through her Feng Shui commercial and residential consultations. CEO's, executives, physicians, and entrepreneurs seek Master Garber out to conduct [commercial property analyses](#) because of the [unquestionable results](#) her work has shown. In addition, her reputation as a premier residential Feng Shui practitioner is [validated by homeowners and renters](#) who have shared their positive experiences. In 2005, Ms. Garber left the corporate world as Vice President of Disaster Recovery and Business Continuity for Bank One. Her company, Intuitive Concepts, was founded in 1998 but she has over three decades of Feng Shui experience.

Although Ms. Garber is honored to receive the 2013 Best of Columbus Award recognition, her achievements as an outstanding Feng Shui Master extend across the US and several continents. She has served as the Feng Shui Practitioner for The Ohio State University and recently earned the title as the *first* Feng Shui Master to speak at a medical convention. Her goal is to *Feng Shui the world...one company, one home, one person at a time*© and the 2013 Best of Columbus Award is an indicator that she is progressing toward that goal.
