### **2014 Design Columbus Event Features Feng Shui Master Diana Garber's – Feng Shui and LEED Unite (Tansky Sawmill Toyota's Remodel)**

SUNBURY, OH, (April 24, 2014) – Join Feng Shui Master Diana Garber of Intuitive Concepts at the 2014 Design Columbus conference on Monday, April 28, 2014 at 1:30 p.m. for her presentation regarding the Tansky Sawmill Toyota remodel.

A decision was made by the design team to pursue both Feng Shui and LEED in the remodel design. The design team was originally made up of the Tansky family & leadership, Intuitive Concepts, and Architectural Alliance. The design team expanded to include Turner Construction, EM Engineering Group, Shirk & O'Donovan, Sands Decker CPS, James Burkart Associates, and McCarthy Consulting.

Join this informative session to hear how Feng Shui and LEED differ, and how they complement each other... influencing not only the design but exterior (entrances, parking lot, signs, landscape) and interior selections (doors, lounge, offices, shapes, colors). Even more profound are the results the dealership has experienced since the redesign.
