### Diana Garber and Intuitive Concepts Present Feng Shui Anatomy of a House at the Central Ohio Home & Garden Show

SUNBURY, OH, (February 19, 2015) -- Do you want a better life? Could you be healthier, happier, or more successful? During this presentation, you'll learn how Feng Shui affects a house and you in it. Most people think it's about decorating and furniture placement but it is WAY more. Albeit a remodel or new build, authentic Feng Shui assesses the biology of the land, structure, and occupants (human and animal). Did you know that Feng Shui works at a quantum (cellular) level and impacts health, happiness, wealth, success, and even safety?

*Just the facts, mam!* Distinguish myth from fact from one of the best in the U.S. -- Feng Shui Master Diana Garber on February 20, 2015 AT 1 p.m. at the Ohio Expo Center. Feng Shui impacts where the house is positioned on the land, the driveway, the design of the house, windows, doors, lighting, appliances, flooring, paint colors, and virtually most aspects of the design/build process.

Have you visited Tansky Sawmill Toyota on Sawmill and 161? That was one of Diana's projects. If you're thinking about building, remodeling, or want improvement in your life – join us.

When Diana is part of a patient's healthcare team, even clients in advanced stages of cancer have experienced remission. [Hear from this client](#) – we celebrated her son's recovery with a surprise chemo-free party!

*It's all about you, strategize success in your home & life!* For more information about this event, [follow this link](#).
