FENG SHUI ACCREDITATION
Diana Garber is Accredited
by the Feng Shui Network of Australia

The Feng Shui Network is an international association of Feng Shui practitioners and aides those interested in Feng Shui and environmental issues. The association seeks to enlighten and educate through advancing global geomancy. According to the network, Feng Shui is a form of geomancy, as the term *geo* means Earth. Therefore, all things related to the Earth also relate to Feng Shui.

The Feng Shui Network is instrumental in their approach to an accreditation process. They are the first to begin accreditation of members worldwide. While membership is open to Feng Shui practitioners and interested individuals, only a select few meet the requirements to become an accredited member. Diana Garber and Intuitive Concepts, Inc. are proud to announce both their status and association with the network.
