### **INTUITIVE CONCEPTS, INC., FEATURED IN DESIGN JOURNAL'S SPRING ISSUE** Powerful Design Project

Intuitive Concepts collaborated with Cathy Kim, of the interior design firm OM Environments, on an Ohio medical office. The project is featured in the Spring 2009 Issue of *Design Journal*'s Powerful Design Project section as a "meditative design project."

According to the article, "The office of Dennis E. McClure, Neurosurgeon, underwent some extreme changes in 2008 with the help of Feng Shui expert, Diana Garber of Intuitive Concepts" (p. 37). The transformation began after a classic Feng Shui analysis determined the energy map and resulting action plan. Following Garber's recommendations, Cathy Kim decorated the space. Dr. McClure's goal was a more positive effect on his patients' healing and recovery process.

*Design Journal* is an International trade magazine targeting interior designers, architects and facility managers. A copy of the magazine can be found at [http://www.designjournalmag.com/the\\_magazine.htm](http://www.designjournalmag.com/the_magazine.htm).
