Dear Dr Welker,

I am pleased to recommend Diana Garber to Columbus Comprehensive Health Center and The Ohio State University Center for Integrative Medicine as an exceptional Classic Feng Shui practitioner. Our family has been a client of Diana's for four years. Her insight and recommendations have enabled us to make substantial improvements in our quality of life. We especially appreciate her

- professional and caring attitude,
- openness to incorporating our personal likes/dislikes, and
- ability to unobtrusively incorporate Feng Shui into our daily lives without interfering with our other belief systems.

In addition, I am lucky to have worked with Diana in the business world for over 12 years. She is a dedicated and respected co-worker. Her natural inquisitiveness enabled her to be a pioneer and leader in many new technology-related areas at Bank One. I have enjoyed every opportunity we have worked together.

Finally, I am happy to have Diana as a friend. Her desire to treat everyone and every situation with respect and integrity is an inspiration. She is a joy to relax with, a rock in times of turmoil, and the engine when things need to get done. Diana is an asset to any team.

Please contact me at the number above if you have any questions.

Respectfully,

Michele Newbauer
