**To Whom It May Concern:**

**Since 2005 it has been my pleasure to work with Diana Garber and Intuitive Concepts! Whether she was at my side as a valued volunteer board member of the Interior Design Society, a Feng Shui specialist for my design clients and me personally, or a trusted colleague with whom I shared many brainstorming sessions, Diana's professionalism and expertise are unparalleled!**

**Many business owners and consultants claim that integrity, fantastic customer service, and superior products and services are what they are all about; but too few of those very same business owners deliver what they promise. Diana Garber and Intuitive Concepts is the complete package; signed, sealed *and* delivered!**

**I am honored to write this recommendation for Diana to receive the BBB Torch award 2010!**

**Best Regards,**
