To Whom It May Concern:

This letter is written to recommend Diana Garber of Intuitive Concepts. My husband and I decided to work with her in the fall of 2009 and our experience with Diana and her organization has been tremendous. Diana certainly has the compassion it takes to really work closely with her clients and get to the root of the issue. Only 6-months into our work together and we have seen results both personally and professionally. I wholeheartedly recommend Diana and Intuitive Concepts.

Best,

Meredith Liepelt  
President
