Please Join Master Diana Garber of Intuitive Concepts at the Grand Opening of Feng-Shui Redesigned Tansky Sawmill Toyota

SUNBURY, OH, (May 12, 2014) Five years have passed since Feng Shui discussions began for the remodel of Tansky Sawmill Toyota at 6300 Sawmill Road in Dublin, Ohio. The intended scope was to remodel the original building, but the Tansky family wanted to expand their impact in a way to better serve the community, society, and ultimately the planet. The Tansky family engaged Master Diana Garber of Intuitive Concepts to explore Feng Shui (which defines how we react to our environment) for the new space.

In 2011, Architectural Alliance joined the team and the new design was born. Then in 2012 Turner Construction was selected which resulted in the only LEED (Leadership in Environmental Energy and Design) and Feng Shui dealership in the world with 2009 Gold LEED status.

Exterior Feng Shui impacts include moving the entrance on Dublin-Granville Road, redirecting traffic as it approached the facility, positioning the new showroom entrance towards the NW, and modifying landscaping. Interior Feng Shui affected the floor plan, office locations, furniture, interior finishes, and even included the welcoming water fountain.

If you haven't already visited, the new facility is pleasing to the eye but more importantly one's experience. In the service area, you are greeted by a friendly valet and the appointment ends with a clean and serviced vehicle. While waiting, you'll enjoy a cozy atmosphere that's high-tech with warm cookies and refreshments.

The grand opening of Tansky Sawmill Toyota's showroom is May 15, 2014, starting at 11 a.m. Please join us for this special event, meet the team, and feel the difference!
