beYoga and Wellness Opens in Upper Arlington Where Feng Shui Was Provided by Master Diana Garber of Intuitive Concepts

SUNBURY, OH, (June 28, 2013) The director of beYoga and Wellness, Jennifer Baryluk, said, "When I first conceptualized beYoga and Wellness, I wanted a place where students can feel safe, comfortable, and relaxed. With help from Master Diana Garber of Intuitive Concepts, the yoga studio is that and much more! Students have been pleased with the calming and happy energy there, as well as the great selection of yoga classes including Hatha, prenatal, fertility, living with cancer, and yoga warriors."

The location at 1840 Zollinger Road, Upper Arlington, OH, was formerly a dentist's office with a narrow hallway and several small treatment rooms. The suite now has an open floor plan and was redesigned according to Feng Shui principles. The date for the open house was also according to Feng Shui. Director Baryluk said it exceeded her expectations.

Jennifer Baryluk and Master Garber worked together before. Jennifer hired Garber when her son went into stage four leukemia. You can read more about that experience at <http://www.intuitiveconcepts.com/Portals/0/scan0001.jpg>.
